The  
JESUS

shaped  
GOD

## **What's this about?**

The idea behind this series is that we understand who God is, not through what we absorb from our culture, or through philosophical ideas, or even through some well-worn church traditions, but through Jesus. Most people like Jesus, but they are put off Christianity because of our hackneyed ideas about who God is and how he works. Therefore, let's allow our view of God to be shaped by Jesus, not just a gloss on traditional thoughts, but a thorough repentance and acceptance that Jesus reveals God, just as He is.

Of course, it's hard to see the sheer power of the God who spoke Creation into being, though we get a glimpse on the Mount of Transfiguration. However, we do get great insights into how He wields, or chooses not to wield, that power. In our Sunday talks, we shall attempt to trace some of the key aspects of God as revealed by Luke's story of the life, death & resurrection of Jesus.

## **When is this happening?**

'The Jesus Shaped God' begins on Monday 19 April and will finish on Sunday 4 July with our final teaching of the series. Throughout the series, a weekly email\* will be sent to you early on a Monday morning with the week's Bible readings, each linked to the day's Scripture.

## ASK:

What does the passage mean? (A good Bible commentary can help.)
