The Olive Tree

Approx. 200 BC, the olive tree was used for many purposes. It was used for oil, for food, and for medicine. The olive tree is a symbol of peace and is often used in religious art.

The olive tree is a member of the family *Oleaceae*. It is a large, evergreen tree that can live for many centuries. The olive tree is native to the Mediterranean region and is now grown in many other parts of the world.

The olive tree is a symbol of peace and is often used in religious art. It is also a symbol of wisdom and is often used in literature.
