

Holy Trinity Church in 2012

For the last seven years the main ministry of our church has been the ministry to the addicted people and their family members. We minister now in two stationary centers – Rehab and Adaptation. Both of them came to being as a miracle.

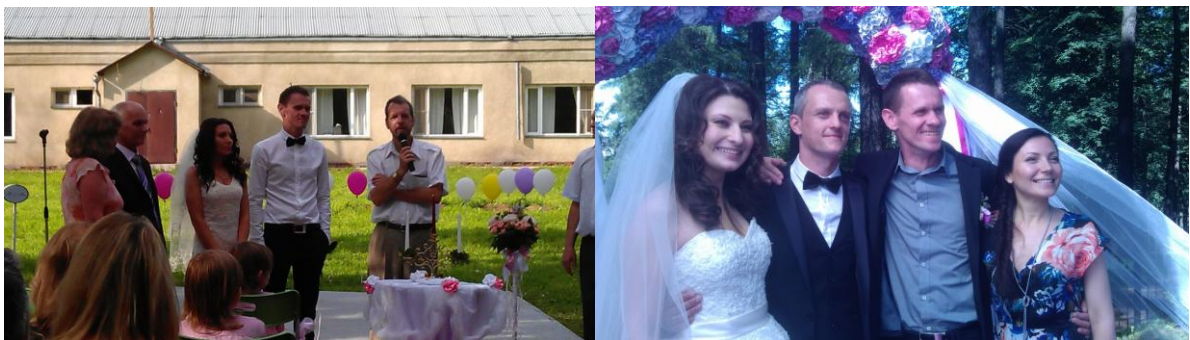

Our Rehab Center

In 2012 we ministered to 45 men in Rehab Center and 10 others came to our adaptation center.

The former addicts (many of them have more than 10 years of addiction behind) not only receive deliverance and freedom in Christ but also find jobs and create families. Healthy children are being born by those who had been destined to die.

In 2012 we celebrated three weddings. One young couple is expecting already. Three brothers were baptized.

The effectiveness of our program is much higher than in government clinics because we deal with the root of the problem, which is spiritual rather than medical.

Most of our guys cannot pay so we accept them free of charge which is rather unique for our time. Praise the Lord for His provision!

This year we planted a ministry development – ministry in two distant from Moscow orphanages. Kids and staff there are very receptive to the Gospel and we all received a lot of blessings ministering to the young lives.

Many blessings in wonderful Christmas season and coming new year!
